A Look Back....

(GENESIS) "JOE" Visits Brooklyn!

After a spirited time back at the end of December, our brothers and sisters at [Horizon Christian Fellowship](#) in Brooklyn, asked us back once again to perform (Genesis) "JOE". And to think, it all started at a Men's retreat when Fred happened upon Horizon's group and simply asked... "Hey, can I do a scene for ya?"

Thanks to **Angelo Rosado** (center), for starting us off at your church!

PARTNER PROFILE:

We have many people behind the scenes who partner with and support us on a regular basis... in many ways! Check back each month to meet some of God's extraordinary people standing side by side center stage with us....

Catherine Klimek Patterson's Quality Water

1. What's your occupation? How do you spend your 9-5?

My days are spent with a wonderful team at **Patterson's Quality Water**. Together we provide effective solutions to poor water quality such as high levels of chlorine and chloramine, bacteria, iron, sediment, radium and lead. Whatever the contaminate that may be lurking in the water, rest assured we have a solution to remove it.

2. Coffee or Tea?

Coffee

3. Favorite line from your "go to" movie?

"All this nothing has meant more to me than so many somethings" - *You've Got Mail*

4. Top 3 on your bucket list?

1) Have an opportunity to serve through "Eight Days of Hope" which is a nonprofit Christian ministry that provides help in areas afflicted by disaster. 2) take a road trip to CA so I can take a very long walk through the Redwood Forest 3) learn to play the guitar easily, without thinking!

5. The most unusual thing in your office or home?

In my office we have a large wall with a floor to ceiling picture of Times Square in 2012. The best part of this Picture is the Patterson's Quality Water logo on a billboard, right in the heart of Times Square! It's very cool!

6. Your vision for Plays on Word? Why do you support?

My vision for P.O.W. is to see this ministry have the God appointed opportunity to travel full time and bring these familiar Bible stories to life, touching the hearts of all who have eyes to see and ears to hear. We support P.O.W. simply because we can because God provides my company with an income that can support giving back. P.O.W. is close to my heart because it tells the simply stories we all learned in Sunday School, but Fred brings them to life! I feel Peter's ("Pete") unsureness as he walks on water towards Jesus, I see Joseph's ("Christmas Joe") fear as he learns of Mary's pregnancy, I hear Joseph's (Genesis "Joe") forgiveness towards his brothers. These were just regular people, like you and me, that God used in a big way! And God can use P.O.W. in a big way! That's why I support them!

7. What do you enjoy doing when you're not working?

I am delightfully challenged with my 3 beehives as I learn their intricate details in each new season. My hands down favorite task in beekeeping happens in mid summer. This is when I rob them of their excess honey! Unlike other thieves who clothe themselves in black and venture out in the darkness of night, I perform my robbery in the daylight hours wearing all white! Once I have the honey in hand I start the process of extracting that golden sweet treasure into bottles to be savored throughout the year!

8. Something you wish people knew about you?

I'm shy and I hate to be looked at.

9. Your life scripture?

Proverbs 16:3 "Commit your work to the Lord, and your plans will be established"
